Redmine - Feature #21421

Security Notifications when security related things are changed

2015-12-04 09:30 - Jan from Planio www.plan.io

Target version:	3.3.0			
Resolution:	Fixed			

Description

As a user I want to receive an email whenever something security related (e.g. my password, my account email address) is changed.

As an admin, I would like to receive also emails about global changes (e.g. "login required" disactivated) or the addition/removal of other admins.

The attached patch series against current trunk implements this. Would be great if that could be included in one of the next releases. Thanks!

Associated revisions

Revision 15094 - 2016-01-23 09:29 - Jean-Philippe Lang

Add optional user parameter to I18n#format_time to (#21421).

This is useful for mails where times should be displayed in the timezone of the recipient - not the current user causing the mail to be sent.

Revision 15095 - 2016-01-23 09:35 - Jean-Philippe Lang

Typo (#21421).

Revision 15145 - 2016-02-05 08:33 - Jean-Philippe Lang

Security notifications when password or email adress is changed (#21421).

Patch by Jan Schulz-Hofen.

Revision 15146 - 2016-02-05 08:48 - Jean-Philippe Lang

Harmonize setting labels (#21421).

For every setting, there should always is be a "setting_%{label}
Patch by Jan Schulz-Hofen.

- Description updated

#2 - 2015-12-05 11:06 - Jean-Philippe Lang

- Target version changed from Candidate for next major release to 3.3.0

Nice addition but maybe a bit late for 3.2.0. I'm assigning it to 3.3.0

#3 - 2015-12-11 12:33 - Jan from Planio www.plan.io

- File 0000-Add-optional-user-parameter-to-I18n-format_time-to-o.patch added

- File 0002-Add-Mailer-security_notification.patch added

- File 0007-Send-a-security-notification-when-users-gain-or-loos.patch added

Jean-Philippe Lang wrote:

> Nice addition but maybe a bit late for 3.2.0. I'm assigning it to 3.3.0

Thanks for your feedback. 3.3.0 would be great!

After review, I'm also updating the patch series:

- replace bogus gmail address with more appropriate example.foo address
- rebase on current master (fixed a test)
- use correct time zone for mails

#4 - 2015-12-11 12:34 - Jan from Planio www.plan.io

- File deleted (0002-Add-Mailer-security_notification.patch)

#5 - 2015-12-11 12:34 - Jan from Planio www.plan.io

- File deleted (0007-Send-a-security-notification-when-users-gain-or-loos.patch)

#6 - 2015-12-12 14:29 - Jan from Planio www.plan.io

- File deleted (0004-Send-a-security-notification-when-a-user-s-email-add.patch)

#7 - 2015-12-12 14:30 - Jan from Planio www.plan.io

- File 0004-Send-a-security-notification-when-a-user-s-email-add.patch added

Fix Patch 4 so that the user whose email address is changed gets the mail (not the current user). They might differ in case an admin changes email addresses for a different user.

#8 - 2015-12-13 07:10 - Jan from Planio www.plan.io

- File deleted (0007-Send-a-security-notification-when-users-gain-or-loos.patch)

#9 - 2015-12-13 07:10 - Jan from Planio www.plan.io

- File deleted (0006-Send-a-security-notification-when-certain-settings-a.patch)

#10 - 2015-12-13 07:11 - Jan from Planio www.plan.io

- File 0007-Send-a-security-notification-when-users-gain-or-loos.patch added

- File 0006-Send-a-security-notification-when-certain-settings-a.patch added

Fix patches 6 and 7 so that security notifications only get sent to active admins only.

#11 - 2015-12-13 08:12 - Jan from Planio www.plan.io

- File deleted (0003-Send-a-security-notification-when-a-user-s-password-.patch)

#12 - 2015-12-13 08:13 - Jan from Planio www.plan.io

- File 0003-Send-a-security-notification-when-a-user-s-password-.patch added

Fix patch 3 to also send a security notification when the user's password is changed after a lost password.

#13 - 2015-12-13 08:35 - Jan from Planio www.plan.io

- File deleted (0007-Send-a-security-notification-when-users-gain-or-loos.patch)

#14 - 2015-12-13 08:36 - Jan from Planio www.plan.io

- File 0007-Send-a-security-notification-when-users-gain-or-loos.patch added

Fix patch 7 to only send security notifications when admins are active.

#15 - 2015-12-13 09:39 - Jan from Planio www.plan.io

- File 0008-Allow-overriding-of-originator-and-remote_ip-causing-a-s.patch added

Adding patch 8 which allows overriding of originator and remote_ip causing a security notification and use these overrides in lost password procedure (where no real session is initiated).

#16 - 2016-05-08 10:29 - Jean-Philippe Lang

- Status changed from New to Closed

- Assignee set to Jean-Philippe Lang

- Resolution set to Fixed

Feature added with a few changes, eg. we're sending one email about changed settings to all admins instead of one email to each amdin for each setting.
Thanks.
