History

- Status changed from New to Needs feedback

Probably the error is caused by redmine_scm plugin. Please try again after uninstalling it.

#2 - 2015-12-10 14:19 - Marcin Polak

I'll try, forgot to mention that this issue occurs just from time to time, could not find any pattern. Usually settings page works as expected.

#3 - 2015-12-11 11:39 - Marcin Polak

yup it's redmine_scm issue. Replaced it with fork: https://github.com/a-ono/redmine_scm, this fork works fine with redmine 3.x
