Description

The progress bar on the Roadmap screen is divided into three different colors, but there is no explanation on the colors anywhere. This could be solved by showing it in tooltip.

Also, it is possible to display the done ratio progress bar on the Issues screen, but it is not possible to know the real done ratio value without opening the issue. This could also be solved with a tooltip display.

#2 - 2015-12-23 05:12 - Go MAEDA

- Description updated
- Target version set to 3.3.0

This improves usability of Roadmap screen.  
I suggest including this feature in Redmine 3.3.0.

#3 - 2016-01-09 12:19 - Jean-Philippe Lang

- Status changed from New to Closed
- Assignee set to Jean-Philippe Lang

Patch committed in [r15027](#), thanks. label\_done\_ratio was replaced by the existing field\_done\_ratio string.
