

Redmine - Feature #21927

Email notification about overdue issues

2016-02-02 14:53 - Pavel Zaparivanny

Status:	Closed	Start date:	
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:			
Resolution:	Invalid		
Description			
Can I be notified by mail of overdue tasks? How to implement this future in the plugin? (It is necessary to implement or planner to keep track of events?)			

History

#1 - 2016-02-03 18:57 - Michael Krupp

There's a task which does exactly that:

<https://www.redmine.org/projects/redmine/wiki/RedmineReminderEmails>

#2 - 2016-02-20 22:31 - Thorsten Jäger

What i am missing (more or less a presentation issue) is a more structured Display of the current rake task email - something like:

OVERDUE:

- issue 1
- issue 2

Due today:

- issue 3

Other upcoming:

- issue 4
- issue 5

#3 - 2016-02-24 08:54 - Toshi MARUYAMA

- *Status changed from New to Closed*
- *Resolution set to Invalid*
