

Redmine - Defect #2319

CVS Repository browser lists also the deleted files.

2008-12-12 00:20 - Jerome Vanthournout

Status:	Closed	Start date:	2008-12-12
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	SCM	Estimated time:	0.00 hour
Target version:	0.8	Affected version:	0.7.3
Resolution:	Fixed		
Description			
<p>In CVS, the deleted files are moved into a special folder named Attic. These files are "deleted" and cannot not be used anymore (except if someone resuscitate it by checking it out and committing it again).</p> <p>In the current release (0.7.3) as well as 0.8.0-RC1, all the files are displayed in the repository browser, included the "deleted" files. The "deleted" files should not be displayed.</p> <p>This problem is located in cvs_adapter.rb line 66.</p> <pre>cmd = "#{CVS_BIN} -d #{root_url} rls -ed"</pre> <p>Instead of -ed, it would be better to use -e</p>			

Associated revisions

Revision 2135 - 2008-12-14 16:57 - Jean-Philippe Lang

Fixed: CVS browser should not show dead revisions (deleted files) (#2319).
