Target version:	
Description CJK naming convention is LastName + FistName. Too simple patch for CJK naming convention. But it is not proper patch for all CJK environment. Some pages the order is not property shown! --- app/models/user.rb (revision 1048) +++ app/models/user.rb (working copy) @@ -108,7 +108,8 @@ # Return user's full name for display def name - "#{firstname} #{lastname} " + "#{firstname} #{lastname} " + "#{lastname} #{firstname} " end def active?
