Redmine - Patch #25402

stop misusing distance_in_words

2017-03-22 13:26 - Greg T

Status: Closed Start date:
Priority: Normal Due date:

Assignee: % Done: 0%

Category: Translations Estimated time: 0.00 hour

Target version:

Description

When *x_hours* and *x_days* are **not** used for a reference to a past point in time relative to the present moment then datetime.distance_in_words must not be used as it's impossible to fix the Hungarian/Magyar language files that way.

OK, but are you going to accept that patch?

#5 - 2018-01-17 12:05 - Greg T

Would you accept my patch, please?
