I cannot see Cyrillic characters in [r16489](#).

I see them, look at the screenshot, taken from [www.redmine.org](http://www.redmine.org), especially the month names.

In your attached yaml:

```
field_digest: Checksum
label_last_notes: Last notes
```

I mean "Checksum" and "Last notes" are Latin not Cyrillic.  
Are these translated?
