

Redmine - Defect #26079

Impossible to add member to a project

2017-05-31 17:02 - Fabrice ROBIN

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Project settings	Estimated time:	0.00 hour
Target version:		Affected version:	3.3.3
Resolution:	Cant reproduce		
Description			
no way to add members to 1 specific project.			
Go to https://redmine.xxx.xxx/projects/advertising_as/settings/members click on link https://redmine.xxx.xxx/projects/advertising_as/memberships/new to add members.			
The popup is not displayed on Firefox (53.0.2). It is displayed on Chrome.			
This works on other projects. It seems to be due to the underscore in the identifier. It is the same with dashes in the project identifier.

- Status changed from New to Needs feedback

I cannot reproduce on my Windows 10 Firefox 53.0.3 64 bits.

#2 - 2017-05-31 18:47 - Fabrice ROBIN

You can reproduce it with "advertising_as" as the project identifier and project name.

With other identifier as "loca-soft", we do not have this problem.

#3 - 2017-05-31 20:00 - Toshi MARUYAMA

- File win-ff.png added

I cannot reproduce.
