Redmine - Feature #2618

Move some change properties fields into the "more" link

2009-01-29 20:51 - Brad Beattie

Status:	New		**Start date:**	2009-01-29

Target version:				
Resolution:				

Description

When updating a ticket, a user is presented with a number of options in the "Change properties" fieldset that they, on the whole, won't touch. In the normal life-span of a ticket, a user changes who the ticket is assigned to and it's percentage done. The remaining fields could be moved up to the expanding "more" link to help reduce visual clutter.
