

Redmine - Feature #26237

Support wiki_page_title attribute in Versions REST API

2017-06-22 12:50 - Masahiro Kitagawa

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Go MAEDA	% Done:	0%
Category:	REST API	Estimated time:	0.00 hour
Target version:	4.1.0		
Resolution:	Fixed		
Description			
According to below wiki, there is no way to access version's related wiki page. ("version_wiki_page_title")			
Rest_Versions			
We expect more extended REST API like follows,			
<pre><?xml version="1.0" encoding="UTF-8"?> <versions type="array" total_count="34"> <version> <id>1</id> <project name="Redmine" id="1"/> <name>0.7</name> <description/> <status>closed</status> <due_date>2008-04-28</due_date> <created_on>2008-03-09T12:52:06+01:00</created_on> <updated_on>2009-11-15T12:22:12+01:00</updated_on> <version_wiki_page_title>FooBarWikiPage</version_wiki_page_title> </version> </versions></pre>

Revision 18091 - 2019-04-28 16:22 - Go MAEDA

Support wiki_page_title attribute in Versions REST API (#26237).

Patch by Severin Schols.

Revision 18092 - 2019-04-28 16:28 - Go MAEDA

Test for r18091 (#26237).

Patch by Mizuki ISHIKAWA.

History

#1 - 2017-07-03 09:47 - Go MAEDA

- Category set to REST API

#2 - 2017-07-18 19:03 - Toshi MARUYAMA

- Description updated

#3 - 2017-12-19 02:29 - Severin Schols

- File versions_api_wiki_page_title.diff added

Just ran into the same thing, and decided to get a fix in place right away. This works for us. Output is not exactly as shown above, but like this (taking the same data as example)

```
<?xml version="1.0" encoding="UTF-8"?>
<versions type="array" total_count="34">
  <version>
    <id>1</id>
    <project name="Redmine" id="1"/>
    <name>0.7</name>
    <description/>
    <status>closed</status>
    <due_date>2008-04-28</due_date>
    <created_on>2008-03-09T12:52:06+01:00</created_on>
    <updated_on>2009-11-15T12:22:12+01:00</updated_on>
    <wiki_page_title>FooBarWikiPage</wiki_page_title>
  </version>
</versions>
```

#4 - 2017-12-24 05:29 - Go MAEDA

- File 26237-test-update.diff added
- Target version set to 4.1.0

LGTM. I updated a test.
Setting target version to 4.1.0.

#5 - 2018-09-30 18:41 - Kenan Dervisevic

Is it possible to get this in 4.0.0? It's a small fix, so I guess it's not a problem to change the target release.

#6 - 2018-11-28 06:31 - Mizuki ISHIKAWA

- File add_put_and_post_test.patch added

I added PUT and POST tests to the test code written by Go MAEDA.
[versions_api_wiki_page_title.diff](#) works as expected.

#7 - 2019-04-28 16:31 - Go MAEDA

- Subject changed from REST API for related wiki page in version to Support wiki_page_title attribute in Versions REST API
- Status changed from New to Closed
- Assignee set to Go MAEDA
- Resolution set to Fixed

Committed the patches. Thank you for your contribution.

#8 - 2019-05-07 04:27 - Go MAEDA

- Related to Feature #10384: Versions REST API - Please add the WIKI field in the XML output added
