<b>Target version:</b>			
<b>Description</b>			
I noticed this recently. The require 'redmine/notifiable' at <a href="source:/trunk/lib/redmine.rb#L42">source:/trunk/lib/redmine.rb#L42</a> is duplicated at <a href="source:/trunk/lib/redmine.rb#L45">source:/trunk/lib/redmine.rb#L45</a> . This was introduced in <a href="r10909">r10909</a>			
I'll leave a patch against trunk removing the duplicate line.			

#### Associated revisions
