Description			
It would be nice to send a notification when new files or documents are added?			

History

#1 - 2007-01-27 10:13 - Jean-Philippe Lang

Done and committed in the repository.

Mail notifications have been added when:

- a document is added
- a file is added to the project
- an attachment is added to an issue or a document

You can go to "Admin -> Mail notifications" to enable them.

Jean-Philippe,

You are too good! Wow.
