Resolution:	Fixed			

Description

This patch implements preview for comments for the news, just like it works for issues, news and other entities.

This patch worked for me.
A preview screen is necessary to keep the UI design consistent.

Indeed, this patch works, but in the same time, it will block the patch from #27758 if is applied. I would like to prioritise first the implementation of the preview tab which will implements this ticket too and more.

#7 - 2018-09-26 22:50 - Marius BĂLTEANU

- File preview.png added

- Tracker changed from Patch to Feature

- Status changed from New to Closed

- Target version deleted (4.1.0)

- Resolution set to Fixed

Preview option is now available also for News using the new Preview tab added in #27758.
