

Redmine - Feature #27381

% Complete respond to status change in UI

2017-11-05 09:17 - James H

Status: New	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Resolution:	
Description Would like a hybrid option of % Complete driven off of issue status vs driven off of the % complete field, where the % Complete field responds dynamically to issue status changes in the UI before submission.
