Redmine - Defect #27533

Cannot change the priority of the parent issue in issue query context menu when parent priority is independent of children

2017-11-14 20:09 - Vito Marolda

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Go MAEDA		**% Done:**	0%
Category:	Issues list		**Estimated time:**	0.00 hour
Target version:	3.3.6			
Resolution:	Fixed		**Affected version:**	3.3.1

Description
Also if Tracking settings are set to have parent priority independent of children, the context menu in issue query has priorities grayed out. In fact, when normally editing, the priorities of parent issues are perfetcly editable. This bug affects the context menu only.
