Description			
<p>"Time logs visibility" and "Users visibility" settings have not been described yet on <a href="#">"Roles Properties" section in RedmineRoles page</a>.</p> <p>These features were implemented by <a href="#">#8929</a> (Redmine 3.1.0) and <a href="#">#11724</a> (Redmine 3.0.0).</p>			

History

#1 - 2017-12-18 09:22 - Hinako Tajima

I've updated the following documentations "Time logs visibility" and "Users visibility".  
Could you please check the meanings and expressions whether which is correct or not.  
Thanks a lot.

Thank you for updating the page. It looks good to me.  
[https://www.redmine.org/projects/redmine/wiki/RedmineRoles/diff?utf8=%E2%9C%93&version=23&version\\_from=21&commit=View+differeces](https://www.redmine.org/projects/redmine/wiki/RedmineRoles/diff?utf8=%E2%9C%93&version=23&version_from=21&commit=View+differeces)

I am closing this issue.
