Redmine - Defect #27863

If version is closed or locked subtasks don't get copied

2017-12-28 14:48 - Alessandro Zucchi

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Go MAEDA		**% Done:**	0%
Category:	Issues		**Estimated time:**	0.00 hour
Target version:	3.4.6			
Resolution:	Fixed		**Affected version:**	3.3.5

Description

Hi,
if I tryed to copy an issue with subtasks only the parent task is copied if the source version is closed or locked.
Regards
Alessandro

Revision 17368 - 2018-06-07 02:33 - Go MAEDA

Clear target version when copying an issue if status is locked or closed (#27863).

Patch by Marius BALTEANU.

Revision 17369 - 2018-06-07 02:37 - Go MAEDA

Merged r17368 from trunk to 3.4-stable (#27863).

History

#1 - 2018-01-24 18:08 - Toshi MARUYAMA

- Status changed from New to Confirmed

- Priority changed from Urgent to Normal

Confirmed.
In the log:

```
Could not copy subtask #70 while copying #71 to #74 due to validation errors: Target version is not included i
n the list
```

I don't know what expected behaviour should be.

#2 - 2018-01-25 11:25 - Alessandro Zucchi

Hi,
for me all children issues must be copied independently from the state of the version, not only the parent task.s

Regards
Alessandro

Considering that the target version is cleared in the UI when you copy an issue with a locked/closed target version, I think we should keep the same behaviour also for subtasks and automatically clear the target version if it is locked/closed. Any other opinions?

Ok clear the target version if it is locked/closed, but most important that get copied.
Alessandro

#6 - 2018-06-04 23:26 - Marius BĂLTEANU

- File 0001-Clear-target-version-when-copying-an-issue-if-status.patch added

Attached is a small patch that fixes this issue.

#7 - 2018-06-04 23:32 - Marius BĂLTEANU

- Copied to Defect #28946: If assignee is locked subtasks don't get copied added

#8 - 2018-06-05 03:55 - Go MAEDA

- Target version changed from Candidate for next minor release to 3.4.6

The patch submitted by Marius works fine. Setting target version to 3.4.6.

#9 - 2018-06-07 02:40 - Go MAEDA

- Status changed from Confirmed to Closed

- Assignee set to Go MAEDA

- Resolution set to Fixed

Committed. Thank you all for your contribution.
