**Description**

Bots found activities by project number and traverse to the whole history:

```
redmine:443 66.249.76.119 - - [02/Jan/2018:05:42:49 +0000] "GET /redmine/projects/3/activity?from=1979-03-13&show_files=1&user_id=3 HTTP/1.1" 200 8090 "-" "Mozilla/5.0 (compatible; Googlebot/2.1;)"
```

robots.txt looks like:

```
User-agent: *
Disallow: /redmine/projects/support/repository
Disallow: /redmine/projects/support/issues
Disallow: /redmine/projects/support/activity
Disallow: /redmine/issues/gantt
Disallow: /redmine/issues/calendar
Disallow: /redmine/activity
Disallow: /redmine/search
```

Expected:

```
User-agent: *
Disallow: /redmine/projects/support/repository
Disallow: /redmine/projects/support/issues
Disallow: /redmine/projects/support/activity
Disallow: /redmine/projects/3/repository
Disallow: /redmine/projects/3/issues
Disallow: /redmine/projects/3/activity
Disallow: /redmine/issues/gantt
Disallow: /redmine/issues/calendar
Disallow: /redmine/activity
Disallow: /redmine/search
```

### #1 - 2018-01-02 10:02 - Grischa Zengel

I thinks it's better to block the whole numeric project:

```
User-agent: *
Disallow: /redmine/projects/support/repository
Disallow: /redmine/projects/support/issues
Disallow: /redmine/projects/support/activity
Disallow: /redmine/projects/3
Disallow: /redmine/projects/gantt
Disallow: /redmine/issues/calendar
Disallow: /redmine/activity
Disallow: /redmine/search
```

### #2 - 2018-01-02 10:45 - Toshi MARUYAMA

- *Tracker changed from Defect to Feature*

### #3 - 2018-01-02 11:02 - Toshi MARUYAMA

- *File robot.diff added*

Try this patch.

### #4 - 2018-01-02 12:16 - Grischa Zengel

It works. Thanks.

```
User-agent: *
Disallow: /redmine/projects/support/repository
Disallow: /redmine/projects/support/issues
Disallow: /redmine/projects/support/activity
Disallow: /redmine/projects/3/repository
Disallow: /redmine/projects/3/issues
Disallow: /redmine/projects/3/activity
Disallow: /redmine/issues/gantt
Disallow: /redmine/issues/calendar
Disallow: /redmine/activity
Disallow: /redmine/search
```

### #5 - 2018-01-31 19:20 - Toshi MARUYAMA

- *Subject changed from add numerical project to robots.txt to add project id to robots.txt*

### #6 - 2018-01-31 19:26 - Toshi MARUYAMA

- *Status changed from New to Closed*  
- *Target version set to 4.0.0*  
- *Resolution set to Fixed*

I think it is no problem because project id is disclosed in project.xml and robots.txt hides non public projects.
