Category:	Projects	Estimated time:	0.00 hour
Target version:		Affected version:	3.4.2
Resolution:			

Description

I'm wonder but looks to Redmine has limit display of sub-projects. Please take a look on my screenshots.

redmine issue_3.png (BML SERVICE) KIT	✓	01/04/2018

These projects are sub-projects of ECI

These projects are also sub-project of ECI but display as main/parent projects.

History

- Status changed from New to Needs feedback

There is no such limitation on Redmine.
Try "bundle exec rails runner 'Project.rebuild_tree!' -e production".
