

Redmine - Defect #2863

When categories list is too big the popup menu doesn't adjust (ex. in the issue list)

2009-02-28 11:40 - Jens Berlips

Status:	Closed	Start date:	2009-02-28
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:	0.9.4	Affected version:	
Resolution:	Fixed		
Description			
<p>If you have a too many categories and right-click on an issue to set the category of choice, some categories may not be visible since they are not viewable and no scrollbar pop ups.</p> <p>Possible solution: div overflow: auto; together with a maximum div size should fix this?</p> <p>Also added a rake script to auto-add cateogires to a project STDIN:</p>			
<pre>namespace :project do cats = ['Category1', 'Category2'] task(:categories=> :environment) do value = STDIN.gets.chomp! for p in Project.find(:all, :conditions => "name = '#{value}'") for cp in cats if not p.issue_categories.exists?(:name => "#{cp}") p.issue_categories.create(:name => cp) end end end end end end end ~</pre>

Revision 3725 - 2010-05-01 13:54 - Jean-Philippe Lang

Adds auto scroll to context submenus (#2863).

History

#1 - 2009-03-01 11:21 - Jean-Philippe Lang

Can you post a screenshot that illustrates this problem please?

#2 - 2009-03-01 14:49 - Jens Berlips

- File *bug_redmine.JPG* added

Sure:

bug_redmine.JPG

#3 - 2010-05-01 10:54 - Alain Alain091

- File *context_menu.css.patch* added

- File *context_menu.js.patch* added

Find attached 2 patches :

1/ correction on css with adding overflow-y (tested on IE8)

2/ updating of context-menu.js with more prototype like statements.

#4 - 2010-05-01 11:00 - Alain Alain091

The patch also works on FF 3.6.3

#5 - 2010-05-01 13:53 - Jean-Philippe Lang

- Status changed from *New* to *Resolved*

- Target version set to *0.9.4*

- Resolution set to *Fixed*

1/ correction on css with adding overflow-y (tested on IE8)

[r3725](#) adds a max-height and auto scroll rather than a fixed height and scroll.

2/ updating of context-menu.js with more prototype like statements.

If it's supposed to fix anything, please open another ticket.

#6 - 2010-05-01 14:29 - Jean-Philippe Lang

- Status changed from *Resolved* to *Closed*

#7 - 2010-05-01 17:44 - Alain Alain091

Unfortunately, the max-height doesn't have the good behavior and on IE8 and FF 3.6.3 the modification doesn't fix the problem.

My modification with a fixe height (height:80px) have the good behavior and this fix the problem.

#8 - 2010-05-01 18:49 - Alain Alain091

height:80px is too much near top of window.

height:60px is a best choice.
