

## Redmine - Patch #2864

### Add CSS style for priority and status in app/views/issues/show.rhtml

2009-02-28 13:55 - Ludovic Gasc

<b>Status:</b>	Closed	<b>Start date:</b>	2009-02-28
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Eric Davis	<b>% Done:</b>	0%
<b>Category:</b>	UI	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Description</b>			
In Redmine, you can change the CSS style in the issues list depends on the priority and status. The patch adds the same CSS style when you show the details of an issue.			
Could you include this patch in Redmine ?			
Thank you very much for your work.			

#### History

##### #1 - 2009-02-28 19:45 - Eric Davis

- Status changed from New to 7
- Assignee changed from Jean-Philippe Lang to Eric Davis

I'm actually going through the issue views and updating the CSS classes so they are all similar (e.g. issue form, issue details, bulk edit form).

##### #2 - 2009-02-28 21:21 - Jean-Philippe Lang

- Status changed from 7 to Closed

Priority and status classes are already added to the ticket details div.
