

Redmine - Defect #29036

"Assigned to" filter on the issues page works only on second attempt

2018-06-16 09:56 - Vladislav Yashin

|  |               |                   |           |
|--|---------------|-------------------|-----------|
| Status:  | Closed        | Start date:       |           |
| Priority:  | Normal        | Due date:         |           |
| Assignee:  |               | % Done:           | 0%        |
| Category:  | Issues filter | Estimated time:   | 0.00 hour |
| Target version:  |               | Affected version: | 3.4.6     |
| Resolution:  | Invalid       |                   |           |
| <b>Description</b>   |               |                   |           |
| Redmine version 3.4.6.stable   |               |                   |           |
| Ruby version 2.5.1-p57 (2018-03-29) [x86_64-linux]   |               |                   |           |
| Rails version 4.2.8  |               |                   |           |
| Environment production   |               |                   |           |
| Database adapter PostgreSQL  |               |                   |           |
| It can be easily reproduced on <a href="https://bugs.ruby-lang.org/issues">https://bugs.ruby-lang.org/issues</a> |               |                   |           |
| You should clean all filters and then add "Assigned to" filter. </select> tag gonna be empty.                    |               |                   |           |

History

#1 - 2018-06-28 11:49 - Vladislav Yashin

- Status changed from New to Resolved

It was a problem in redmine\_elasticsearch

#2 - 2018-06-28 11:55 - Go MAEDA

- Status changed from Resolved to Closed

- Resolution set to Invalid
