

Redmine - Defect #2948

load_default_data.rake: STDOUT.flush needed before STDIN.gets

2009-03-11 03:34 - Kazuhiro Nishiyama

Status:	Closed	Start date:	2009-03-11
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	0.8.3	Affected version:	0.8.2
Resolution:	Fixed		

Description

I tried `rake redmine:load_default_data RAILS_ENV=production` but nothing happened, and messages showed after Ctrl+C. It seems to be a buffering problem.

```
% rake redmine:load_default_data RAILS_ENV=production
(in /home/kazu/rails_apps/redmine-0.8.2)
```

```
^Crake aborted!
```

(See full trace by running task with --trace)
