

## Redmine - Feature #29993

### Option to unarchive the project when admins visit an archived project

2018-11-18 21:38 - Yarn

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Jean-Philippe Lang	<b>% Done:</b>	0%
<b>Category:</b>	Administration	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	4.0.0		
<b>Resolution:</b>	Fixed		
<b>Description</b>			
<p>When project added to archive - it is hidden from Projects panel.</p> <p>And then when it is needed for someone - they send ticket for recovering project. Like that: "hello, can you recover project <a href="https://redmine.example.com/projects/786">https://redmine.example.com/projects/786</a>"?</p> <p>and to recover it I need to create DB queries for now... which takes some time.</p>			

#### Associated revisions

##### Revision 17681 - 2018-12-02 12:13 - Jean-Philippe Lang

Let admin users unarchive subprojects of archived projects (#29993).

##### Revision 17682 - 2018-12-02 12:23 - Jean-Philippe Lang

Let admins unarchive the project when trying to access an archived project (#29993).

#### History

##### #1 - 2018-11-20 06:50 - Bernhard Rohloff

+1 I think in this particular case it would be great if the link would provide a view to the admin where he could recover the project directly.

##### #2 - 2018-12-02 12:26 - Jean-Philippe Lang

- Subject changed from Add column links in Administration -> projects to Option to unarchive the project when admins visit an archived project
- Status changed from New to Closed
- Assignee set to Jean-Philippe Lang
- Target version set to 4.0.0
- Resolution set to Fixed

When trying to access an archived project, a link to unarchive it will now be displayed to admin users.

##### #3 - 2018-12-06 04:57 - Go MAEDA

- Subject changed from Option to unarchive the project when admins visit an archived project to Option to unarchive the project when admins visit an archived project
