Target version:			
Resolution:	No feedback	**Affected version:**	

Description
can't form a plan schedule,there are buttons to add ,the procurement plan is placed

History

#1 - 2019-02-13 22:15 - Holger Just

- Status changed from New to Needs feedback

Could you please clarify your request?

Where exactly do you expect another button (maybe show a screenshot)?

There are no built-in feature to add schedules or procurement plans in Redmine. Maybe you are using some external plugin?

#2 - 2019-02-28 10:28 - Go MAEDA

- Status changed from Needs feedback to Closed

- Resolution set to No feedback
