

Redmine - Defect #31063

Can't uncheck Gantt chart options of custom queries

2019-03-20 03:41 - Mizuki ISHIKAWA

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Gantt	Estimated time:	0.00 hour
Target version:	4.0.3	Affected version:	4.0.0
Resolution:	Fixed		
Description options.png If you set the draw_progress_line option and the draw_related_issues option of the custom query to true, you can not change it to false from the screen. I think this problem is due to the influence of #29701 .

I think that the cause is that the parameter is nil when the check box is false.
The solution is to make the parameter '0' if the checkbox is false by the hidden tag.
