Committed the fix. Thank you.

#3 - 2019-04-28 19:29 - Go MAEDA

- Status changed from Closed to Resolved

The right-click context menu ([#10485](#)) is broken after applying the patch. the context menu does not open when you click a subject of issues.

After my investigation, I found that removing "z-index:1" from show.html.erb resolves the issue.

Felix Gliesche, do we really need the "z-index: 1"?
