

## Redmine - Feature #313

### Default end date

2007-04-03 11:03 - Jeffrey Jones

<b>Status:</b> Closed	<b>Start date:</b>
<b>Priority:</b> Normal	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category:</b>	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Resolution:</b>	
<b>Description</b> (Maybe have this as an optional setting somewhere as it may not be for everyone)  When a user raises an issue, if they specify a version but haven't yet set the end date for the issue then the end date defaults to the date of the version.  This will ensure that all issues raised for a version will appear in the Gantt chart.

### History

#### #1 - 2008-01-11 11:57 - Elliot Winkler

I think this is a pretty logical feature too. Out of interest, why was this ticket closed? The feature wasn't implemented...

#### #2 - 2008-01-17 08:02 - Jeffrey Jones

I closed this issue because a) I raised it but am no longer in a position to test any fixes and b) a perceived lack of interest due to no comments or movement on an old issue.

Thought I would un-clutter the tracker with my old issues.

#### #3 - 2008-01-18 12:44 - Elliot Winkler

I've gone ahead and made a patch for this (I also wrote up a test). Not sure how to submit it though... maybe the issue needs to be open to attach files?

#### #4 - 2008-01-18 12:55 - Elliot Winkler

Derrrr... maybe I should post it in the Patches tracker ;)
