#2 - 2019-06-13 09:07 - Marius BĂLTEANU

#3 - 2019-06-13 09:20 - Go MAEDA

- File 31556-update-test.patch added

This is due to the change <https://github.com/rouge-ruby/rouge/pull/1165/>. Rouge changed the CSS class for quotation marks in 3.4.0, so we can simply update the test.

By the way, how about delivering this in 4.1.0 instead of 4.2.0?

Now that 3.4.1 is out with a hot fix, I think it is safe.
