Target version:				
Resolution:	Wont fix			

Description

edavis10: can you include your git repo syncronization script in the redmine core? Thanks.

History

#1 - 2009-04-24 18:18 - Eric Davis

Part of the script I'm using is at http://gist.github.com/100634. I also just came across Automatic synchronization of 2 git repositories today.

#2 - 2010-10-25 17:02 - Eric Davis

- Assignee deleted (Eric Davis)

#3 - 2011-03-04 17:03 - Toshi MARUYAMA

- Status changed from New to Closed

- Resolution set to Wont fix
