

Redmine - Defect #3471

Project managers should be able to assign "sub-project of"

2009-06-10 05:29 - Aaron Hicks

Status: Closed	Start date: 2009-06-10
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Projects	Estimated time: 0.00 hour
Target version:	Affected version:
Resolution: Duplicate	
Description A user who has a manager role for a project should be able to assign or reparent a project as a sub-project of any other project that are a manager of. Currently this task seems to be assigned only to administrators.	
Related issues: Is duplicate of Redmine - Feature #2963: Managers able to create subprojects Closed 2009-03-13
