<b>Target version:</b>	
<b>Resolution:</b>	

#### Description

Add something like this to app/views/layout/base.rhtml after the "Log in" button:

```
<% if loggedin? >
  &lt;li class="right"&gt;Go to bug #&lt;form method="get" action="/issues/show/12"&gt;
  &lt;input type="text" style="width: 4em" /&gt;
  &lt;/form&gt;&lt;/li&gt;
< end %>
```

Except actually working. I don't yet know enough rails to make that form working.

#### History

##### #1 - 2007-06-15 03:36 - bajs bajs

I got it working, see "patches" tracker
