<b>Description</b>			
It is quite tedious that the search results do not show the status of issues, it would be very helpful to see at a glance whether that's an open or resolved issue.			
The attached patch includes the issue status in the title of the result.

Include the issue status in search results and the Activity page. (#3700)

#### History

##### #1 - 2009-08-02 06:35 - Eric Davis

- Subject changed from *Include issue status in search results* to *Include issue status in search results and activity pages*
- Status changed from *New* to *Closed*
- Assignee set to *Eric Davis*
- Target version set to *0.9.0*
- % Done changed from *0* to *100*

Great suggestion, I applied your patch in [r2834](#). This also makes the status appear in the Activity pages.
