Redmine - Feature #3872

New user password - better functionality

2009-09-15 16:17 - Maxim Krušina

Status:	Closed		**Start date:**	2009-09-15
Priority:	Normal		**Due date:**	
Assignee:	Jean-Philippe Lang		**% Done:**	0%
Category:	Accounts / authentication		**Estimated time:**	0.00 hour
Target version:	2.4.0			
Resolution:	Fixed			

Description

It should be usefull to add two functionalities to new user's password:

- [x] Require user to change password after first login
- [x] Generate password

I hope both checkboxes are self-explaining ;)
Is you check "Generate password" it will disable testual password input.
