Redmine - Patch #3970

[PATCH] proper content type for plain text mails

2009-10-05 05:43 - Nobuhiro IMAI

Status:	Closed		**Start date:**	2009-10-05
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Email notifications		**Estimated time:**	0.00 hour
Target version:	0.9.0			

Description

After r2887, all notification emails have Content-Type: multipart/alternative,
even if the setting of plain_text_mail is on.
This is a bit annoy, and using CT: text/plain is fine for me.

Thanks,

Associated revisions

Revision 2961 - 2009-10-24 13:57 - Jean-Philippe Lang

Sets proper content type for plain text mails (#3970).

History

#1 - 2009-10-24 13:52 - Jean-Philippe Lang
