

Redmine - Feature #39948

Add Redmine::Plugin proxy method for Redmine::Acts::Attachable::ObjectTypeConstraint.register_object_type

2023-12-27 07:54 - Mischa The Evil

Status:	Closed	Start date:	
Priority:	Normal	Due date:

Category:	Plugin API	Estimated time:	0.00 hour
Target version:	5.0.8		
Resolution:	Fixed		
Description			
Following #39862 I wonder: wouldn't it be neater to add a dedicated proxy method to Redmine::Plugin (something like Redmine::Plugin#attachment_object_type) for Redmine::Acts::Attachable::ObjectTypeConstraint.register_object_type? This way plugin authors don't have to reach into Redmine core internals when implementing AAA for their own plugin models themselves. How do other people think about this?
