

Redmine - Defect #4046

Copy project doesn't honor entry in "Subproject of"-field

2009-10-17 16:44 - Thomas Pihl

Status:	Closed	Start date:	2009-10-17
Priority:	Normal	Due date:	
Assignee:	Eric Davis	% Done:	0%
Category:	Administration	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Duplicate		
Description I would expect there is a line missing in app/controllers/projects_controller.rb in method copy inside the if @project.copy(params[:id]) <code>@project.set_parent!(params[:project]['parent_id']) if params[:project].has_key?('parent_id')</code> I am sorry for not creating patch file, but i seem to have some trouble with linefeeds.			
Related issues: Is duplicate of Redmine - Defect #3386: When a project is copied the sub-proj... <div>Closed2009-05-18</div>
