

Redmine - Patch #4069

Alternate theme lacking right border if no sidebar present

2009-10-21 13:27 - Felix Schäfer

Status:	Closed	Start date:	2009-10-21
Priority:	Low	Due date:

Target version:	0.9.0		

Description

Pages without a sidebar lack the right border on the content div with the alternate style. It's enough to specialise the #content style in the alternate css with a #main.nosidebar #content to get it back. (test on Safari 4, redmine [r2902](#)).

git diff:

Revision 3069 - 2009-11-15 22:15 - Jean-Philippe Lang

Fixed: Alternate theme lacking right border if no sidebar present (#4069).

History

#1 - 2009-11-12 17:30 - Felix Schäfer

- Assignee set to Eric Davis

Just wanted to get this off my plate. Eric, I noticed you incorporated some css fixes, would you mind taking those in too? Thanks :-)

#2 - 2009-11-15 22:10 - Jean-Philippe Lang

- Status changed from New to Closed

- Target version set to 0.9.0

Applied in [r3069](#).

Note that the patched line was truncated in your diff.

#3 - 2009-11-16 00:25 - Felix Schäfer

Thanks, and sorry for the truncated diff.
