Associated revisions

Revision 2983 - 2009-10-29 18:55 - Jean-Philippe Lang

Fixed error on repository when there are no comments in a changeset (#4126).

History

#1 - 2009-10-27 19:42 - Ben Wagaman

The easy place to patch is truncate_single_line.

You can call to_s somewhere before calling gsub. This will guard the string argument (in case it isn't a string).

1. Truncates and returns the string as a single line

```
def truncate_single_line(string, *args)  
  truncate(string.to_s, *args).gsub(%r{[\r\n]+}m, ' ')  
end
```

#2 - 2009-10-29 18:52 - Jean-Philippe Lang

- Status changed from New to Closed
- Target version set to 0.8.6
- Affected version (unused) set to devel
- Resolution set to Fixed

Fixed in r2983.
