Description

I've created a small patch to add support for (customizable) OpenID policy URLs. Would be delighted to see this make its way into the core.

Read more about the policy URL here: http://openid.net/specs/openid-simple-registration-extension-1_0.html#anchor3

History

#1 - 2011-09-13 10:50 - Etienne Massip

- Category changed from Accounts / authentication to OpenID

#2 - 2014-09-08 13:20 - Jan from Planio www.plan.io

- Status changed from New to Closed

In retrospect, this was kind of specific for Planio and not really useful enough for Redmine. I'm closing this.
