

Redmine - Feature #427

Add file urls in Issue History when files are added

2007-09-06 08:55 - Neil Rodrigues

Description	
Currently, when you add notes with files, they're written as: * File <filename> added	
It would be better to add the link to that file, so that people don't have to waste time sifting through the list of all files at the top.	

History

#1 - 2007-09-14 15:57 - Jean-Philippe Lang

Committed in [r729](#).

Of course, if the file is deleted, the filename is displayed with no link.
