Redmine - Defect #4454

Related issues - blocks

2009-12-20 15:40 - ga work

Status:	Closed		**Start date:**	2009-12-20
Priority:	High		**Due date:**	
Assignee:	Mischa The Evil		**% Done:**	0%
Category:	Documentation		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Invalid		**Affected version:**	0.8.7

Description

Hello Mischa,

I'm a new user with difficulty relating issues. I created an issue t1(start 22 - end 23) and added the relation "blocks" issue t2(start 22 - end 24) in the most recent test2 project in the demo. The % done is 0 is both cases. I haven't understood how this feature works. I've attached a snapshot of the calendar. Shouldn't the start date of t2 get pushed to the 23rd or the 24th? Also, is the difference between "blocks" and "precedes" just the ability to add delay?

Thanks in advance!

Tanya

History

#1 - 2009-12-20 16:14 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Invalid

A blocks B simply means that B can not be closed unless A is closed. Start/due dates are not involved.

#2 - 2009-12-20 18:06 - ga work

Thanks, Jean.

#3 - 2009-12-20 23:15 - Mischa The Evil

- Category set to Documentation

Needs documentation improvement.

Current references which should be explained properly and gathered in the Redmine Guide:

- FAQ-item;
- SCM commit-message of r506;
- Issue #1740.
