

Redmine - Defect #4525

issues from subprojects are shown when you select issues from summary

2010-01-06 17:58 - Thomas Pihl

Status:	Closed	Start date:	2010-01-06
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:	0.9.0	Affected version:	0.8.7
Resolution:	Fixed		

Description

Summary only show issues from current project (good), but the new filter created when you as an example select all open issues with priority high will also show issues from subprojects (confusing).

I suggest add a filter "subprojects = none" in the navigation.

Associated revisions

Revision 3283 - 2010-01-07 22:12 - Jean-Philippe Lang

Fixed: issue summary counts should link to the issue list without subprojects (#4525).
