

Redmine - Feature #4677

Add a filter on the "My reported issues" block

Description Currently, the "my reported issues" block on "My page" shows every issue I have reported. I'd like to have the ability to put a filter on this block (maybe even by default) so that I can filter out the closed tickets.

+1 for me

The widgets on "my page" should filter the closed tickets, but only the "Issues assigned to me" widget does (in Redmine 1.1.2).
