Resolution: Duplicate	
Description It would be useful if you could add as a watcher / CC users who are not part of a specific project but still have view rights to the project. Currently, to add someone to the watcher list, they MUST be a member assigned to the project.	
Related issues: Is duplicate of Redmine - Feature #5159: Ability to add Non-Member watchers t... Closed 2010-03-23

Feature [#4347](#) is *marginally* related.

An example use case for this feature would be a security bug: If a bug in a project affects security and requires an immediate change / lockdown from server administrators, who are not assigned to the project, adding them to the watcher list would be a useful way of notifying them of progress on the issue automatically.

+1 that's a feature I'd like to see in Redmine too.
Eric

#3 - 2015-10-04 11:03 - Go MAEDA

- Is duplicate of Feature #5159: Ability to add Non-Member watchers to the watch list added

#4 - 2015-10-04 11:04 - Go MAEDA

- Status changed from New to Closed
- Resolution set to Duplicate

Implemented by [#5159](#) (Redmine 1.4.0).
