<b>Description</b> The lists of subprojects and users in project's page, now, is ordered horizontally, something like this:  PROJECT1 projects.    * Subprojects: subproject1, suproject2, suproject3, suproject4, suproject5  Members Manager: user1, user2, user3, user4, user5  I suggest it to be modified to be ordered vertically, something like this: PROJECT1 projects.    * Subprojects: suproject1 suproject2 suproject3 suproject4 suproject5  Members Manager: user1 user2 user3 user4 user5
