Description For our basic users we want make the interface as easy as possible and we wish to <ul style="list-style-type: none">• hide the activity tab How can we do that ? or at least hide the revisions messages (which are displayed anyway)• limit the issues the one created by the user. Thanks, Nicolas	
Related issues: Is duplicate of Redmine - Feature #2585: Add Modules to hide/display Overview... New 2009-01-26

To Hide Activity Tab, remove the following line from redmine\lib\redmine.rb
menu.push :help, Redmine::Info.help_url, :last => true
