## Redmine - Feature #4974

# Currency configuration options, or a British locale

2010-03-03 08:16 - Jon Pascoe

Status: Closed Start date: 2010-03-03

Priority: Normal Due date:

Assignee: % Done: 0%

Category: Text formatting Estimated time: 0.00 hour

Target version:

Resolution: Wont fix

### **Description**

Users should be able to configure the currency used in number\_to\_currency().

Currently this is done in locales files, but there is no locale for British.

### History

#### #1 - 2019-01-10 14:20 - Go MAEDA

- Status changed from New to Closed
- Resolution set to Wont fix

We don't have to add currency strings to locales files because number\_to\_currency is not used in Redmine.
