<b>Category:</b> UI	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Resolution:</b> Fixed	
<b>Description</b> On Movie Issue page, something like this:  moveissue.jpg the fields with value (No change) don't inform what are their values in the issue.  For example, "Assigned to" is (No change), but I don't know who it's assigned to. I suggest to put, maybe in front of the field, its value.
